The choice of a lawyer is an important decision and should not be based solely upon advertisements.

The choice of a lawyer is an important decision and should not be based solely upon advertisements.

The choice of a lawyer is an important decision and should not be based solely upon advertisements.

The 2021 Business and Real Estate Symposium featured legal insights from Capes Sokol attorneys on the impact that COVID-19 is having on businesses. Topics include cybersecurity, intellectual property, pandemic legislation, and what to expect moving forward. This virtual event features attorneys from the Business & Finance, Entertainment & Media, Intellectual Property, and Real Estate Practice Areas of Capes Sokol.

Navigating the Looming Legal Issues of the New Normal

> ***Virtual Work Vulnerabilities*** *– Virtual Work is Here to Stay. Are your business' privacy and security inoculated against cyber-risks?*
>
> ***Intellectual Property Icebergs*** *– You Boosted Social Media and Online Marketing During the Lockdown. Are your trade secrets protected and do you respect the intellectual property of others?*
>
> ***Legislative Landmines*** *–Federal Infrastructure and Covid-19 Relief Programs, Related Legislation and Tax Changes are Coming. How will they affect your company's bottom line?*
