Sanford J. Boxerman, shareholder and Chair of the [White Collar Criminal Defense & Internal Investigations](#) group, was a guest speaker on a recent episode of the [Fraud Fighter Podcast](#), entitled, "Cash Skimming." In this episode, Sandy breaks down how skimming can be proven using various formulas, the value of forensic accounting in victim/defendant representation, and ways that forensic examiners can market their services.

Sandy represents individuals and entities in white collar criminal prosecutions, internal investigations, and criminal and civil tax matters. He also counsels clients in the digital currency and blockchain space, primarily regarding regulatory and tax matters.

Fraud Fighter Podcast

Hosted by a former white-collar federal criminal investigator, this bi-weekly podcast seeks to find the best tools, practices, opportunities, and people to answer your questions about fraud and forensic accounting. Every episode is a conversation with an expert in the fraud or forensic accounting industry who has a story to tell, ideas and wisdom to share, successes to inspire, and failures to confess.
