On Sunday, November 4, 2018, Sandy Boxerman, Chair of the firm's [Digital Currency and Blockchain Technology](#) practice group, presented to a group of daily money management professionals from across the nation at the 2018 American Association of Daily Money Managers (AADMM) Annual Conference.

Boxerman's session, entitled "Cryptocurrency: A Fad Rife with Fraud or the Future of Finance", explored cryptocurrency and blockchain technology. He provided an overview of the two technologies, their operations, their interactions and the differences between the two. He also addressed the status of government regulation of cryptocurrency in the United States, including information about approaches to cryptocurrency taken by the Internal Revenue Service and the Securities and Exchange Commission.

American Association of Daily Money Managers

The AADM is a national membership organization representing individuals and businesses in the field of daily money management. Daily money managers provide financial services to seniors and
