On March 29, 2019, a Capes Sokol attorney will present a Missouri Bar Webinar on “Building Your Case for Summary Judgment.” Their presentation will discuss the steps every attorney should take, even in the most complex cases, to maximize the chances of partial or full summary judgment.

In addition, they will provide tips and techniques for narrowing the complexity of the case, committing your opponent to a position and, if your motion for summary judgment is denied, successfully streamlining what is to be presented to the jury.

Building Your Case for Summary Judgment

Program Description:

- Simplifying the issues for summary judgment, trial, and appeal
- Tips and techniques of initial pleading, motion practice and discovery to build your case for summary judgment and commit your opposition to a position
- Missouri Rule of Civil Procedure 74.04 and the procedural framework of motions for summary judgment
- The admissibility of evidence forming the basis of a summary judgment motion
- Cross-motions for summary judgment
