Capes Sokol proudly announces that Missouri Lawyers Media ("MLM") has selected Michael A. Kahn and Pete W. Salsich III for inclusion in the MLM 2023 POWER LIST – Sports & Entertainment Law.

To compile the 2023 POWER LIST, MLM scoured the archives of Missouri Lawyers Weekly, spoke to attorneys and other leaders, and looked to Missouri's major sports franchises to come up with a list of what we believe to be the most powerful sports and entertainment attorneys in Missouri.

The choice of a lawyer is an important decision and should not be based solely upon advertisements.
