Volunteer Lawyers and Accountants for the Arts

VLAA connects artists and arts organizations of every discipline with accountants and lawyers who donate their time and expertise to help their clients navigate the complicated world of finance and law. VLAA also provides information and skills training designed to help the arts community develop sound business practices.

Brian, as well as other Capes Sokol attorneys, regularly represent artists referred by VLAA as pro bono clients as part of Capes Sokol's commitment to the St. Louis community.
