Say NO to Legal Jeopardy

Presentation Description:

Ever had to go back to a freelancer and negotiate rights that weren't in your original agreement? Or received a threatening letter over something you reposted? Everybody's got a lawyer these days. Fortunately, we have one of the best who will share rock-solid rights agreements, cover copyright issues specific to print and digital publishers, plus answer the most asked questions on securing great content while keeping your company out of copyright hell. A must-see session!
